

Dawning Truth Training

Take Your Business to the Next Level

Dawning Truth
Live A Better Life

The Ladder of that Changes Everything

Education is the great engine of personal development.

It is through education that the daughter of a peasant can become a doctor, that a son of a mineworker can become the head of the mine, that a child of farm workers can become the president of a great nation.

It is what we make out of what we have, not what we are given, that separates one person from another.

Nelson Mandela
